ABOUT THE COLLEGE

Smt. Sharadchandrika Suresh Patil College of Pharmacy, established in the year 1992 at Chopda (Maharashtra) is an **NBA New Delhi Accredited B.Pharm course, PCI approved & ISO 9001 – 2008 Certified Pharmacy institute, affiliated to KBC North Maharashtra University Jalgaon (Maharashtra)**. We are running Diploma, Undergraduate course and Post Graduate courses in **Pharmaceutics & Pharmacognosy** and have a track record of outstanding performance of its pass-outs in different spheres.

In a world where technology is changing very fast, it is indeed a challenging task to cater to the needs of industry for proficient manpower. We at SMTSSPCOP are working towards polishing this talent and to bring them out so that they can touch the sky. We earnestly hope that our student will be able to meet all the challenges given by your esteemed organization as our ex- students have always made the college proud. Many of them are occupying key positions in many private and public sector undertakings in India and abroad and have brought laurels to the college.

Ubiquitous students of our institute, selected through a rigorous process, are amongst the best of the technical talent available. They are guided and trained through a constantly updated curriculum, by a highly qualified and experienced faculty, to meet the fast-changing needs of the technology.

VISION

To nurture excellence in Pharmacy profession and mould the institution into a centre of deft Pharmacy Professionals

MISSION

We are committed to deliver quality Pharmacy education in order to mould thelearners into globally competitive Pharmacists who are professionally, intellectually adept and socially responsible.

ABOUT THE FACULTY DEVELOPMENT PROGRAMME

The proposed six-day faculty development programme (FDP) explores in detail the process of adoption of Open Innovations in the pharmaceutical industry through a case study and analyses the empirical findings by framing it inside the current theoretical framework. FDP is a quality course providing forum for academicians and professionals to exchange their knowledge and state of art of aforesaid areas. The course content will be taught by eminent experts in the field, having adequate teaching, research and IPR experience. This course will offer some unique opportunities to the researchers and academicians working in this area to acquired knowledge in current scenario. This programme provides deeper insight and knowledge to the participants about the valuable teaching development through recent innovations and research in pharmaceutical sector.

OBJECTIVES

1. To expose the participants to contemporary research methodology.
2. To provide an opportunity to researchers to past, present and future problems related to the research.
3. To make the participants aware about latest trends in social science research discipline.
4. To impart basic knowledge about IP skills and IP Rights among Academicians
5. IPR perspective to protect Innovations and Inventions in Pharmaceuticals

ELIGIBILITY

Academician from Faculty of Science and Technology are eligible for said FDP.
