PRINCIPAL'S MESSAGE

“Education is not the learning of facts, but the training of the mind to think.”

The college aims at preparing the students as Pharmacists and making them aware of their rights and duties stipulated on moral issues based on pharmacy ethics and values. Education is the most authoritative tool to bring desirable changes in our personality and also to bring positive changes in our society. It is the only medium which enables you to move from darkness to brightness. As an established and highly esteemed institution, we maintain highest academic standard, incorporated with the conduct of discipline, thereby achieving remarkable and excellent percentage of results. Insightful and enthusiastic faculty is always ready to extend their help wholeheartedly for the integral development of the students. The hard work of today is the success of the future. The time and effort you spend today are the deciding factors of your future years.

Our teachers work hard throughout the year with the students to provide them high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars and cultural competitions. The college regularly organizes National and International conference to provide the knowledge and guidance on various topics of pharmaceutical sciences. Distinguished personalities are invited from all walks of life to give speech to our students and expose them to new ideas and thoughts. With experienced and dedicated teachers and excellent infrastructure, our college helps students to realize their goals in life. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extra-curricular activities that are offered. The overall development of the mind and body is indication of a healthy and complete development. I wish you all the best!

“Together, let us build a stronger, more connected society through dedicated service and collective effort.”

The NSS is more than just a program; it is a movement towards fostering social responsibility, nurturing leadership, and building a stronger, more compassionate society. The NSS strives to bridge the gap between academic learning and community service, encouraging students and volunteers to actively contribute to the development and betterment of society. From organizing health camps and environmental clean-ups to facilitating educational programs and social awareness campaigns, our activities are designed to address pressing issues and foster a spirit of social responsibility.

I invite you to join us in our endeavors and witness first-hand the positive impact we can achieve when we work as a united force. Let's embrace the values of service, compassion, and community spirit, and continue to strive towards making a meaningful difference in the lives of those around us.

Mr. Rohit S. Patil
