## Students' Admission and Support

The admission process for first year students is regulated by Directorate of Technical Education, Government of Maharashtra through their web portal <https://cetcell.mahacet.org/>. The institute has Facilitation centre through which institute conducts the admission process. FC center helps all students for registration, confirmation those who are visiting to institute. Online ICT tools used for teaching, respective subject teacher provides the notes, study material to students through different online ICT tools such as Google classroom, blogger, YouTube etc.

### Online admission and support activities include the followings as such

- College has purchased VRIDDHI software where students' data is entered and all the student's queries are handled at one place. Thus, we get all the information of a student in one place. This software also helps to get a bonafide certificate as well as the leaving certificates to the students.
- Disclosure of admission rules/schedule on college website.
- Verification of documents, payment of fees & other admission formalities,
- Preparation & publication of admission rolls and related statistics,
- Management of different scholarship schemes for students,
- Disclosure of students-centric information/data/materials on web-site,
- ICT based teaching in smart class-rooms. Interactive Intellectual Panel is available in each classroom.
- Language lab software provided to students for development of soft skills.
- Pharmacology laboratory has simulation software for students.
- Various committees are displayed on institute website for students support.
- Above digital functions are realized online through internet with support of ICT based infrastructure available in the College.
- Institute has also purchased Bulk SMS pack to send the messages to students regarding admission and other information.
