information about different cultures and traditions. This helped in eradicating prejudice and promoting tolerance and respect for different cultures.

- 3. Teamwork and co-curricular activities:** The celebration involved haldi kumkum and all planned by the students, which different required teamwork and coordination. This helped in developing teamwork skills and provided an opportunity for students to showcase their talents and skills.
- 4. Appreciation and motivation:** The address by the principal, appreciating the students for their active participation in the celebration, provided motivation and encouragement to the students to continue to actively participate in co-curricular activities.

Brief Description:

Haldi Kumkum, or the Haldi Kumkum ceremony, is a social gathering in India in which married women exchange *haldi* (turmeric) and *kumkum* (vermilion powder), as a symbol of their married status and wishing for their husbands' long lives. The ceremony is particularly popular in the Deccan Indian states of Maharashtra, Karnataka, Telangana, Andhra Pradesh, Goa. In Tamil Nadu, it is celebrated as Aadi perukku aka Aadi monsoon festival is a Hindu Tamil festival celebrated on the 18th day of the Tamil month of Adi (mid-July to mid-August). Married women invite friends, relatives and new acquaintances to meet in an atmosphere of merriment and fun. On such occasions, the hostess distributes bangles, sweets, small novelties, flowers, betel leaves and nuts as well as coconuts. The Haldi Kumkum ceremony is a ritual conducted by married women in the Hindu faith. When a newly-wedded bride visits her relative's house, haldi (turmeric) and kumkum (turmeric and lime) powders are offered as a good omen. The

vermillion and orange powders are deeply symbolic, and this ceremony is an important part of many Indian and practicing Hindu weddings. To honor on the occasion of Chaitra Navratri, Mahatma Gandhi Shikshan Mandal's Smt. Sharadchandrika Suresh Patil College of Pharmacy Chopda has celebrated "**Haldi Kumkum Program**" Under the **Women cell forum** on Tuesday 16/04/2024. The event was started with a welcome of staff by girl's students. During the event Dr. Preran N. Jadhav addressed that there should be a balance between career and family and without a family support a women can't achieve success, also addressed that girls should know their right to defend themselves and be careful against crimes against women. Further she said, women can do anything nothing will be impossible for women's. Head of the women forum Miss. Nalini D. More said that Women are the epitome of wealth and power. Women play an important role in society and the whole family is dependent on women for its daily activities. They play the role of mother, wife, homemaker, cook, teacher, friend, Nurse all at the same time while catering to everybody's needs. All ladies staff giving Haldi Kumkum to each other and the program was ended by Vote of thanks.

Subject: Invitation Letter for a Chief Guest on International Woman's Day Celebration

Respected Madam,

With reference to the above cited subject, we would like to invite you as a Chief Guest for the "Women's Day Celebration." Our institute will be going to celebrate international women's day on 07/03/2024. As the auspicious moments, your kind presence as a chief guest will make the day glamorous. Kindly, make out some time appear in between us all as an honorable chief guest. This will enhance the privilege of our event and make the event more sophisticated. The timing is from 3:00 pm onwards. At the end we will plan for the prize giving ceremony with your short motivational words. We acknowledge your hectic routine, but without your presence and your motivational words, our function will be uncomplete.

We hope that you will not disappoint us and will attend there. It would be our immense pleasure.

Taisaheb Dr. Smita Sadip Patil and Principal Dr. G.P. Vadnere. For the event, chief guest was Dr. Dr. Smita Sandip Patil, and the guest of honor were Principal Dr. G. P. Vadnere to make the event livelier. The event started with felicitation of guest by girl's students. During the event Dr. Smita addressed that there should be a balance between career and family and without a family support a women can't achieve success, also addressed that girls should know their right to defend themselves and be careful against crimes against women. Further she said, gender equality is very important for a healthy society. The milestone to be reached is the basic information for a girl child in every family education will during awareness among the society which will further result in overall development of nation and its community. The guest of honour Dr. G. P. Vadnere addressed that the role of women has changed tremendously, and they have been able to create a positive impression in the society. From housewives to CEOs, the transition can be seen at an accelerating rate. Modernization and the advent of the latest technology have widened hope and opportunities for them. They have established themselves socially, politically and economically in almost every field. Women are no longer considered unfit or weak for military or for other defense forces. Head of the women forum Miss. Nalini D. More said that it was the time to uphold women's achievements, recognize challenges and focus greater attention on women's rights and gender equality to mobilize all people to do their best. An Elocution competition on Women's Day has been conducted and 15 students participated for that. Out of 15 Participants 4 winners were shortlisted. At the end all the winners of the elocution competition were

Outcomes:

All girls' students should know their rights and apply the same in future in the various conditions that happens in their life.

Brief Description:

To honor Mahatma Gandhi Shikshan Mandal's Smt. Sharadchandrika Suresh Patil College of Pharmacy Chopda has arranged a session on "Womens right" on Saturday 10/02/2024. The inauguration of the program was done in the presence of guest speaker Miss. Latika R. Dharpawar. The event started with felicitation of guest by girl's students. During the event Miss. Latika said that, When women get equal rights, the world can progress together with everyone playing an essential role. If there weren't any women rights, women wouldn't have been allowed to do something as basic as a vote. Further, it is a game-changer for those women who suffer from gender discrimination. Women rights are basic human rights claimed for women and girls all over the world. It was enshrined by the United Nations around 70 years ago for every human on the earth. It includes many things which range from equal pay to the right to education. Women rights are important as it gives women the opportunity to get an education and earn in life. It makes them independent which is essential for every woman on earth. Thus, we must all make sure women rights are implemented everywhere. Ladies staff member Dr. Rupali was said that the program was coordinated by Miss. Nalini D. More and hosted by T. Y. B. Pharm student Miss. Swati Turkhade.

Title: Session on "Good Touch and Bad Touch"

Date: 21/07/2023

Time: 3pm

Venue: Seminar Hall of Smt. Sharadchandrika Suresh Patil College of Pharmacy Chopda

Organized By: Internal Compliance Cell, Prevention of sexual Harassment Committee, Women grievance redressal cell.

Coordinator: Miss. Nalini D. More

Total No. of candidate in Program: 104

Aim:

It helps students better understand how to protect themselves from abuse and it encourages open communication between parents and their children.

Objectives:

The main objective of the program was to create awareness and educate students about preventive measures pertaining to sexual assault. The urban populace is relatively more comfortable around conversation regarding sexual abuse as compared to rural India where it continues to be a taboo topic even today. Due to lack of constructive discussion about such topics; owing to stigmatized conditioning, it is imperative for growing kids to be well versed with which kind of touches are healthy/good for them and which kind of touches they should be cautious of. Therefore, the main objectives were :

- a) To destigmatize and break the silence surrounding sexual offences as a result of which countless perpetrators get away with their heinous act and victims are forced to live a life full of shame and suffering.
- b) To make them aware about how to act at times when they encounter a 'bad' touch or a stranger tries to lure them into an unsafe situation.
- c) To imbibe into them and their guardians the thought that suffering sexual abuse is not the fault of the victim but an extremely serious offence by the perpetrator.
- d) To encourage everyone to come out in the open about their experiences of sexual assault, if any so that the offender can be rightly punished and the victim be protected from further exploitation.

Outcomes:

General Awareness: Learners will distinguish between a good touch and a bad touch. Learners will identify and demonstrate how to respond to bad touches. Learners will practice how to leave an uncomfortable situation. **Literacy:** Learners will speak about the given topic in his or her own words. Learners will learn and use antonyms of a given set of words. Learners will write (or draw) to describe a topic. **Science:** Learners will identify different body parts and their role.

by a Dr. Nitin A. Ahire (Chief Medical Officer at PHC Lasur), with the sole objective of spreading awareness against girls Sexual Abuse and educating children about Good Touch and Bad Touch which exist as dark realities in society today.

Dr. Nitin presented a very informative and useful session where he tried to explain to the students how to identify safe and unsafe touch and what to do when an unsafe touch is experienced by them whether in college or any other public place. The students learnt to identify the bad touch areas. They also learnt to handle strangers who made unwanted touch and how to express their disagreement by saying Do not touch me. The students were taught to inform about such happenings to their parents, teachers and adults they trust. The resource person conducted a practical demonstration which gave the students a clear picture about the safe circle and made the concept of good and bad touch very clear. This also helped the students to recognize, safeguard and protect themselves against such dangers from an early age. At the end a small video was presented to the students showcasing different instances of related situations and how to tackle the same. Overall, it was a very interactive and interesting session where all the students gave their responses to many questions when asked. A token of gratitude was proposed to the resource person for imparting valuable knowledge.

- Learn to manage stress through diet, sleep and other lifestyle factors.
- Develop a long-term action plan to minimize and better manage stress.

Brief Description:

Stress has become the new normal today. Across the world, many people are grappling with stress in their everyday lives. Stress is unavoidable in today's fast-paced world. Almost everyone experiences stress at some point in their lives. Women are no exception to this. Although they have come a long way and are making significant accomplishments in various spheres, many women are suffering from burnout, caused by prolonged stress. Smt. Sharadchandrika Suresh Patil College of Pharmacy was organizing a session on "**Stress Management in corporate sector**" for a final and third year students. Mr. Milind A. Patil Was a Guest speaker for the session. He is working as Associate Manager in Labcorp Pvt. Ltd. Andheri. The guest speaker guide the students different techniques to reduce the work stress in order to improve the health and wellbeing. Mr. Milind A. Patil addressed students that after completion of B. Pharm all the students will do the job, so at the time of working management work is full of stress and anxiety which if left untreated can add up to a lot of restlessness and other health issues. It is an important part of the program to bring all students under one roof so that they can work collaboratively as a happy and productive family. The stress at the corporate environment can bring the employees down at some point in the day. These training programs can help the team in tackling the situations calmly and increase the productivity by several folds. Even a small session can bring a positive change in the employees' mind-set. It does not matter what is your position in the company, if you are a corporate executive, a sales representative; stress will find its way to create havoc in your life. Thus, it is important to control it, in the initial phase itself, to relieve anxiety and feel better about the future.

Subject: Invitation Letter for a Chief Guest on International Woman's Day Celebration

Respected Madam,

With reference to the above cited subject, we would like to invite you as a Chief Guest for the "Women's Day Celebration." Our institute will be going to celebrate international women's day on 07/03/2024. As the auspicious moments, your kind presence as a chief guest will make the day glamorous. Kindly, make out some time appear in between us all as an honorable chief guest. This will enhance the privilege of our event and make the event more sophisticated. The timing is from 3:00 pm onwards. At the end we will plan for the prize giving ceremony with your short motivational words. We acknowledge your hectic routine, but without your presence and your motivational words, our function will be uncomplete.

We hope that you will not disappoint us and will attend there. It would be our immense pleasure.

With kinds regards,

Principal

Taisaheb Dr. Smita Sadip Patil and Principal Dr. G.P. Vadnere. For the event, chief guest was Dr. Dr. Smita Sandip Patil, and the guest of honor were Principal Dr. G. P. Vadnere to make the event livelier. The event started with felicitation of guest by girl's students. During the event Dr. Smita addressed that there should be a balance between career and family and without a family support a women can't achieve success, also addressed that girls should know their right to defend themselves and be careful against crimes against women. Further she said, gender equality is very important for a healthy society. The milestone to be reached is the basic information for a girl child in every family education will during awareness among the society which will further result in overall development of nation and its community. The guest of honour Dr. G. P. Vadnere addressed that the role of women has changed tremendously, and they have been able to create a positive impression in the society. From housewives to CEOs, the transition can be seen at an accelerating rate. Modernization and the advent of the latest technology have widened hope and opportunities for them. They have established themselves socially, politically and economically in almost every field. Women are no longer considered unfit or weak for military or for other defense forces. Head of the women forum Miss. Nalini D. More said that it was the time to uphold women's achievements, recognize challenges and focus greater attention on women's rights and gender equality to mobilize all people to do their best. An Elocution competition on Women's Day has been conducted and 15 students participated for that. Out of 15 Participants 4 winners were shortlisted. At the end all the winners of the elocution competition were

- Learn to manage stress through diet, sleep and other lifestyle factors.
- Develop a long-term action plan to minimize and better manage stress.

Brief Description:

Stress has become the new normal today. Across the world, many people are grappling with stress in their everyday lives. Stress is unavoidable in today's fast-paced world. Almost everyone experiences stress at some point in their lives. Women are no exception to this. Although they have come a long way and are making significant accomplishments in various spheres, many women are suffering from burnout, caused by prolonged stress. Smt. Sharadchandrika Suresh Patil College of Pharmacy was organizing a session on "**Stress Management in corporate sector**" for a final and third year students. Mr. Milind A. Patil Was a Guest speaker for the session. He is working as Associate Manager in Labcorp Pvt. Ltd. Andheri. The guest speaker guide the students different techniques to reduce the work stress in order to improve the health and wellbeing. Mr. Milind A. Patil addressed students that after completion of B. Pharm all the students will do the job, so at the time of working management work is full of stress and anxiety which if left untreated can add up to a lot of restlessness and other health issues. It is an important part of the program to bring all students under one roof so that they can work collaboratively as a happy and productive family. The stress at the corporate environment can bring the employees down at some point in the day. These training programs can help the team in tackling the situations calmly and increase the productivity by several folds. Even a small session can bring a positive change in the employees' mind-set. It does not matter what is your position in the company, if you are a corporate executive, a sales representative; stress will find its way to create havoc in your life. Thus, it is important to control it, in the initial phase itself, to relieve anxiety and feel better about the future.

Introduction of the Institution

The Mahatma Gandhi Shikshan Mandal was established in 1969 for imparting educational facilities to the masses. The Mandal is registered under the Society Registration Act of 1860 & the Bombay Public Trust Act of 1850. Late Education Minister of Maharashtra State Smt. Shardchandrika Suresh Patil was one of the founder members of the Shikshan Mandal and due to her inspiration, guidance, and blessing, the society has made all-round and remarkable progress in the field of education since its inception. The institution is extending education to the rural and down-trodden youth through its primary, secondary, junior and senior college, D.Ed., Polytechnic, D. Pharmacy, computer management, vocational course, and nursing etc. The society has 33 acres of land.

A. What is a gender audit?

Gender Audit is an attempt to study whether the college has a good gender balance. It tries to see whether the college follows government rules, policies, and actions formulated for the up-gradation of women in society. The Gender Audit tries to assess the impact of its current and proposed policies on gender equality.

Although there is no standard approach for carrying out a gender audit, international organizations use two main approaches: participatory in gender audit and the gender integration framework. A gender audit usually includes two dimensions as follows:

- 1. An internal audit:** This dimension refers to how much an organization fosters gender equality internally within its organizational, managerial structure and internal work and whether these contribute to gender equality in the organization. An internal gender audit monitors and assesses the relative progress made in gender mainstreaming, contributes to capacity building and collective organizational ownership for gender equality initiatives, and sharpens organizational learning on gender.
- 2. An external audit:** This dimension aims to assess to what extent an organization mainstreams gender in its policies, programs, projects, and services in terms of content, delivery, and evaluation. External gender audits evaluate to what extent gender integration fosters the inclusion of, and benefits to women and men involved in or affected by the organization's policies, programs, projects, or services provided. When applied to policies, programs, projects, or services, a gender audit starts by exploring to what extent gender equality is mainstreamed in high-level policy objectives and priorities, and further assesses to what extent policy intentions are actually carried out in specific initiatives (e.g. program, projects, and services). At the planning level, a gender audit analyzes whether there are gender-specific objectives or if gender is mainstreamed in the general objectives of the policy in order to guarantee that they contribute to closing gender gaps, ensure that women and men benefit equally or in accordance with their gender needs, and that inequalities are not perpetuated.
- 3.** Gender audit goes on to analyze how gender is mainstreamed into the implementation phase of the policy, program, or project. Finally, a gender audit of the monitoring and evaluation
- 4.** Phase investigates whether targets and indicators include a gender perspective both in terms of sex-disaggregated data and progress towards gender equality.

The Gender Audit undertaken by the IQAC, Smt.Sharadchandrika suresh Patil college of Pharmacy Chopda along with external and internal Committee Members. External Committee Member, Vice Chairman and Chairman intended to scrutinize the gender balance within the institution and its practices and focused on the following objectives:

D. Objectives of the Gender Audit exercise:

- The institute shall take effective measures for the safety and security of all genders.
- There must be an accessible, active, unbiased, and confidential Grievance Redressal Cell
- There shall not be any kind of discrimination on the basis of gender.
- To develop and enhance the self-confidence and self-esteem of girl students, women faculty and staff in the college.
- Overall personality development programs shall be organized, which will develop confidence in the members of the institution.
- To protect girl students from eye teasing and for the same posters to be exhibited at focal places in and around the college.
- Certified consultant to be invited to take care of personal development and confidence building among students.
- Organizing programs to build confidence and instill leadership qualities in the girl students.
- To join hands with IQAC, Anti-ragging Committee, and Discipline Committee and Internal Complaint Committee for creation of gender sensitization.
- To create social awareness about the problems of women and gender discrimination.

- The Audit would enable the organization to identify the impact of gender relations on their agency's culture, processes, programs, and organizational performance and vice versa.

The following are the main objectives of the Gender Audit:

- a) To know about the gender balance in the college.
- b) To know about gender perception in the campus.
- c) To reflect and etch out a road map for gender action

D. Gender Audit Methods:

The gender audit was conducted within the broad framework called the Gender Integration Framework (GIF), which proposes that transformation can only follow when four organizational dimensions are equipped for gender integration. These four elements are political will, technical capacity, accountability, and organizational culture.

The Political Will: Means the initiatives in which the leadership within the college at different levels use their branches of the tree and are also required in equal measure to successfully integrate gender, position of power to communicate and demonstrate their support, leadership, enthusiasm for and commitment to working toward gender equality in the college.

Technical Capacity: Level of ability, qualifications and skills individuals in an organization need to carry out the practical aspects of gender integration for enhanced program quality, and level of institutionalization of gender equitable organizational processes.

Accountability: Mechanisms by which a college determines the extent to which it is "walking the talk" in terms of integrating gender equality in its programs and organizational structures.

Organizational Culture: Norms, customs, beliefs, and codes of behavior in an organization that support gender equality - how people relate, what are seen as acceptable ideas, how people are expected to behave and what behaviors are rewarded.

1. Gender Wise Distribution of Staff

Gender sensitive approach aims at opening, reconstructing and broadening expectations and behavioral models related to gender. Gender sensitive structures respond equally to men and women's specific interests without any presumption based on out date views.

The institution was established in the early sixties when the issue of gender was not much of a concern, especially in a remote region like ours. When gender became a major parameter for institutional governance, the institutional leaders stepped forward taking steps to ensure gender equality.

An audit of gender sensitive features in the Institution yielded the following notable points:

- Basic sanitation facility in the form of separate toilets for the students and staff is provided in the common area. Separate toilets for male and female faculty are available.
- There is a Ladies Common Room provided on the 1st Floor of the main building.
- There are CCTV monitoring devices installed at different locations within the campus especially within the library and major gates.
- There is a Women's Forum that conducts Gender Sensitization programmes regularly for the students.

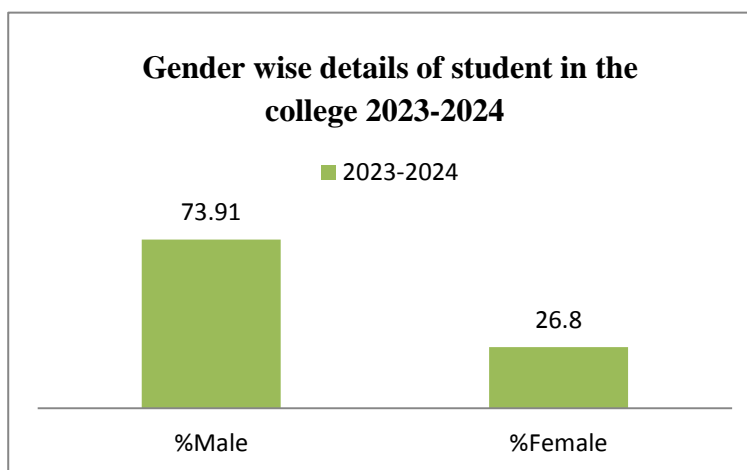

A. Gender Balance within the Institution:

Gender balance means the existence of a fair ratio of male and female representation within the institution in terms of number of students in the various programmes as well as within the staff structure. The rationale is that traditionally women have lesser access to resources and opportunities due to the social structures which act as inhibitors to access. This results in lesser capability among women which in turn produces a snowball effect on their empowerment and access to development initiatives.

Gender Audit Team reviewed and analyzed the operating environment Smt. Shardchandrika Suresh Patil College of Pharmacy, Chopda. From the analysis, the team understood that the college is operating in an environment where everyone has access to a full range of opportunities to achieve the social, psychological, and physical benefits that come from participating and leading in sports and physical activity. Gender equity requires that girls and women be provided with a full range of activity and program choices that meet their needs, interests, and experiences. Therefore, some activities may be the same as those offered to boys and men, some may be altered, and some may be altogether different. The college always concentrates on students' academic performance along with their overall personality development. Observing gender equality, the girls are provided with various facilities. The NCC unit for boys and girls is meticulously developing their character and qualities like comradeship, discipline, leadership, secular outlook and spirit of adventure. This unit focuses on the outstanding achievements of the girls. The lectures of eminent personalities are held on various topics to develop their personality. Workshops are held on 'Prevention of Sexual Abuse and Safety of Girls Students', 'Health and Hygiene, 'Awareness & Legal Aspects of Sexual Abuse', 'Sexual Harassment of Women at Workplace (prohibition, prevention and redressal), etc. Program organized in the last 5 years to make the girls aware of their rights and responsibilities. Girls are made aware of laws and by-laws by organizing lectures of eminent judges, lawyers, social workers etc. Anti-ragging Committee and Internal Complaints Committee have been formed in the college. Our girls' students have achieved grand success in the field of Cultural Activities and Sports. Their participation in Youth Festival and various competitions has brought and fame to them as well as the College. In the public societal action, the College provides classes for parents on parenting issues and also women and Laws. The analysis of the responses of students with regard to programme planning and design in college and its activities revealed that most student members feel that the gender equity in policies, programmes of the college is adequate.

1. Gender Sensitization Initiatives

By forming various committees like Anti-ragging, Internal Complaints, and Sexual Harassment Prevention; at the same time providing adequate facilities to girls, gender equality is kept upright in the college.

The following initiatives have been undertaken by the College for the convenience of girl students: Smt.Sharadchandrika Suresh Patil College of Pharmacy Chopda is always full of students. To avoid rush and other mishaps, separate provisions have been made at various places for girls.

- 1. Separate Entrance:** The separate entrance avoids chaotic situations. It is one of the safety measures for girls.
- 2. Study Room:** Independent study room in the library provides girl students undistracted study time.
- 3. Ladies Common Room:** There is adequate space in the Ladies Common Room and silence is

4. maintained for girls to study. Washroom provision has also been made for girls in the Ladies
5. **Girls Washroom:** Girls' washrooms are situated at two different places in the college with ample water supply and proper maintenance.
6. **Drinking Water:** Water coolers and water purifiers have been provided for boys and girls in the College
7. **Canteen:** There is a separate section in the canteen for girls so that they can comfortably consume their own food or canteen food.

The college has established a number of committees to aid girl students and ladies' staff. These committees include:

1. **Anti-Ragging Committee:** As the college forms a constituent part of the KBCNMU University, Jalgaon, some of its responsibilities are shared and covered by joint arrangements. The college publishes its regulations in the prospectus. Ragging is a criminal offence and UGC has notified regulations on curbing the menace of ragging in educational institutions. In order to prohibit, prevent and eliminate the scourge of ragging the College has formed an Anti-Ragging Committee. The students in distress owing to ragging related incidents can approach the Committee. The Principal of the College is the Chairperson of the Anti-Ragging Committee.
2. **Discipline Committee:** As the college forms a constituent part of the KBCNMU Jalgaon, some of its responsibilities are shared and covered by joint arrangements. The college publishes its regulations in the prospectus. The college has formed a Discipline Committee. The students in distress owing to Discipline related incidents can assess the committee. The committee has 12 females, 14 males and one Vice Chairperson. The Principal of the College is the Chairperson of the Discipline Committee.
3. **Women's Forum:** Women Empowerment and Gender Equality are the most important Requirements for the upliftment and progress of our nation. In the effort to make

Smt.Shardchandrika Suresh Patil College of Pharmacy, Chopda, a strong kernel of gender Sensitization, the Women's Forum was constituted in December of 2019. The forum has both the faculty and nonteaching of the College as its members and works with an aim to create a gender sensitized community within campus as well as in the society. It has been organizing various skill enhancements, academic, technical, medical, cultural and social events for the upliftment of women and promotion of the importance of gender equality in society through the College students.

4. **NCC for Girls:** The NCC unit for girls provides a suitable environment for taking up a career in the armed forces. The girls are trained and motivated for leadership in all walks of life.
5. **NSS for Girls:** Our institute has NSS to sensitize students towards societal issues and community services, activities of which are mainly carried out by the students. The NSS unit for girls provides a suitable environment for taking up a career in the social services. The girls are trained and motivated for all kinds of social work in the field. They are motivated to serve the society.
6. **Administrative Committees and Girl Students Representative:** Becoming a student representative enables the student to develop and strengthen leadership skills, connect with various internal and external issues and problems, assist fellow students, share experiences and

7. Participate in college events for the administrative development.

8. **Internal Complaint Committee:** The College has constituted an Internal Complaint Committee (ICC) as per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act and Rule 2013. Having raised the bar of responsibility and accountability in the Vishaka Guidelines, the Supreme Court placed an obligation on workplaces, institutions, and those in positions of responsibility, to uphold working women's fundamental right to equality and dignity at the workplace. Three key obligations were imposed on institutions to meet that standard, namely-Prohibition, Prevention and Redress. In 2013, the Government of India notified the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act. Consistent with the Vishaka judgment, the Act aspires to ensure women's right to work place equality, protection from sexual harassment through compliance with the above mentioned three elements. It is important to note that the Act provides a civil remedy to women in addition to other laws that are currently in force. Consequently, any woman who wishes to report instances of sexual harassment at the workplace has the right to take recourse of both civil and criminal proceedings.

Constitution of Internal Complaint Committee:

Since its establishment, no complaints have been reported to the Committee by any of staff members or students.

of activities were organized to empower women at Chopda College, these include engaging, sensitizing and making all female staff and female students of the institution aware of gender equality. Upholding the motto 'Empowered and Skillful', the College organizes seminars, conferences, guest lectures, workshops and awareness programmes on various women related issues to equip them with wide range of skills and knowledge for the betterment of self, institution and society. The College also focuses on empowering and strengthening the confidence of girl students to be the future women leaders, technocrats, entrepreneurs and scientists. Regular sessions are organized at various levels to instill self-confidence, develop ethical values and make the girl students realize their true potential.

Summary and Conclusion

A.Progress towards Gender Equity

“Gender equality, equality between men and women does not mean that women and men have to become the same, but that their rights, responsibilities and opportunities will not depend on whether they were born male or female. Gender equity means fairness of treatment for men and women according to their respective needs. This may include equal treatment or treatment that is different but which is considered equivalent in terms of rights, benefits, obligations, and opportunities.” – United Nations Educational, Scientific and Cultural Organization (UNESCO) the College constantly endeavors to work for the benefit of female staff and female students. The institution recognizes that women and men have different needs and power and that these differences should be identified and addressed in a manner that rectifies the imbalances between the sexes. This may include equal treatment, or treatment that is different but considered equivalent in terms of rights, benefits, obligations and opportunities. The college not only tries to organize different activities to make the female students and staff aware about gender sensitization but tries to motivate them to live in a dignified manner and due self-respect.

We find that student's strength particularly girls' strength is increasing in both UG and PG Programmes. We can see the differences in their enrolment also. More girls are enrolling for higher studies. Their strength is on the higher side. Further it has been observed that the success rate

Among girl students is more as compared to boys. They are taking interest in participating in all co- curricular and extra-curricular activities including cultural programmes organized by the institution. Their participation in sports is also commendable. In our institute we found that among regular teaching staff the strength of females is higher than that of males.

A. Conclusion:

The analysis shows that gender equity goals and objectives are included in all the policies, programmes of the college .The staff also reported that they have no problems related to gender criterion. Gender Audit Team analyzed that gender equality and gender sensitivity is encouraged by management and staff of the college and they do have gender sensitive behavior. It is found that the college has a lot of strengths and opportunities to develop good gender balance. The weaknesses can be overcome with gradual changes in value set up. Doubtless, the enrolment of girls from all sections of society is increasing and there are no gender issue complaints. With the strong will power and commitment to gender justice, the College would certainly make a mark in the country.

B. Recommendations:

In the coming years, we aim to –

- Increase the number of female staff to decision making bodies.
- Organize more co-curricular and extra-curricular activities for students and staff including males and females.
- Increase awareness programs on Legal Rights of Women.
- Introduce self-employment training in different subjects.
- Improve the marketability of the products made by student
