History

Principal

Dr. Gautam P. Vadnere
M.Pharm, Ph.D.

The Mahatma Gandhi Shikshan Mandal was established in 1969 for imparting educational facilities to the masses. The Mandal is registered under Societies Registration act of 1860 & the Bombay Public Trust act 1850. Late Education minister of Maharashtra State Smt. Sharadchandrika Suresh Patil was one of the founder member of the Shikshan Mandal and due to her inspiration, guidance and blessings the society has made all round & remarkable progress in the field of education to the rural and down trodden youths through its Primary, Secondary, Junior & Senior College, D.Ed., D.Pharmacy, Polytechnic, Bachelor of Engineering, Occasional Courses, Nursing etc.

PROGRAM EDUCATIONAL OBJECTIVE (PEO's)

- 1: Foster Lifelong Learning and Professional Growth - To instill a commitment to lifelong learning, ensuring that graduates continue to expand their knowledge, stay updated with emerging trends in the pharmacy field, and contribute to the advancement of the profession through continuing education, research, and practice.
- 2: Encourage Leadership and Teamwork - To prepare graduates to take on leadership roles in pharmacy practice, collaborate effectively in multidisciplinary healthcare teams, and advocate for the optimal use of medications and healthcare resources for improved patient outcomes.
- 3: Commitment to Patient Care and Professionalism - "Graduates will demonstrate a strong commitment to patient care, ethical practice, and professionalism in all aspects of their work. They will be equipped to provide patient-centered care while adhering to the highest standards of clinical ethics, regulatory compliance, and safety."

VISION

To nurture excellence in pharmacy profession & mould the Institution into a center of deft pharmacy professionals.

MISSION

- 1: We aim to contribute to the advancement of the pharmacy profession and to promote lifelong learning.
- 2: We strive to improve patient care, promote public health, and advance the pharmacy profession globally.
- 3: To educate and inspire future pharmacy leaders by providing a rigorous, innovative, and student-centered education.

Training & Placement Cell

Our institute has prior view to enterprise the student from professional point of view. The activity of real welfare is important through professional bias for student. With the source of Training & Placement the student can acquire prosperous career through right channel. In the era of globalization, it's an opportunity for us, the Indian technocrats to grab the best career available worldwide.

- Mock Interview

PHARMACEUTICAL CHEMISTRY DEPARTMENT

Principle & practice of drugs and other medicinal products including synthesis, SAR Studies are covered in this department. The department has three spacious Well-equipped laboratories.

Equipments /Instruments

UV-1601 Spectrophotometer
(Shimadzu)

GC

FTIR

Fuming Hood

Digital Conductivity meter

PH meter

Polarimeter

Digital potentiometer

Digital Turbidometer

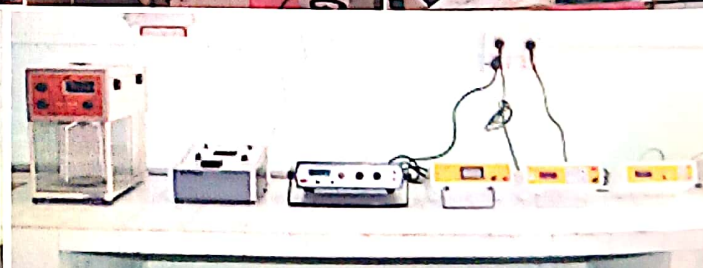

Karl Fischer Titrator Apparatus

IR Moisture Balance

Prog Melting Apparatus

Microwave Oven

Fluorimeter

PHARMACEUTICS DEPARTMENT

Principle & practice of pharmaceutical dosage forms including modern drug delivery systems & Cosmetics are studied in the Pharmaceutics Department. The Department has **Basic Pharmaceutics Laboratory** with all required equipment **Industrial Pharmacy Laboratory** to provide implant training to cop-up the students with needs of industries. Laboratory has pilot plant with modern machineries.

Sterile Preparation Laboratory - the use of injectable & parenteral preparations is growing in modern therapy. The laboratory is provide with sophisticated equipments for sterile preparations.

Equipments

- Rotary Tablet Machine
- Tablet Coating Machine
- Dissolution & Disintegration Apparatus
- Horizontal Laminar
- Air Flow Bench (HEPA Filter)
- Sigma Blade Mixer
- Double Cone Blender
- Rotary Sieve Shaker
- Triple Roller Mill
- Friability Test Apparatus
- Volumetric Filling Machine
- Bulk Density Apparatus
- HPLC with PDA Detector Sonicator
- Ultracentrifuge Machine
- Brookfield Viscometer
- Stability Chamber

PHARMACOGNOSY DEPARTMENT

Equipments /Instruments

Rotary Vacuum Evaporator
Clavenger Apparatus
Soxhlet Apparatus
Muffle Microscope
Binocular Microscope
Digital Photographic Microscope (Motic)
FTIR
UV

"The Ayurveda is the boon to the world & mankind" and for that idians worked meticulously. Experiments related to crude drugs obtained from natural resources viz. Plants, Animals & minerals are studied here for their identification, determining their quality compounds. For this, the laboratory is well equipped with crude drugs, Museum, colored film strips, colored picture, charts, models, slides etc.

Botanical Garden is spread over area of 32,200 sq. feet. More than 100 no. of Medicinal Plants are planted in botanical garden. Green house for vegetable & separate pond for aquatic plants is also available inside botanical garden.

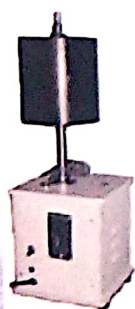

PHARMACOLOGY DEPARTMENT

Experiments related to the Haematology, Human physiology & Anatomy practical's are the major areas of the work. Departments deals with the experiments based on evaluation & screening of drugs using laboratory animals.

Equipments

- Centrifuge Machine
- Digital Photo colorimeter
- Physiograph
- Analgesimeter
- Actophotometer
- Histamine Chamber
- Pole Climbing Apparatus
- Rota Rod Apparatus
- Separate Animal House
- (CCSEA Approved)

LIBRARY

About Library

College library has good infrastructure & facilities with spacious area of 1600 Sq. Ft. Since the establishment of college the library has been continuous enriching the books collections over the year. Now the library has over 9000 no. of books with quality national, International journals.

Books Issue / Return Process

Library facility is available for 12 hrs. to students. Library make simple issue & return process for users by adopting automation technology in library. Library also provide open access facility to the user. It is user friendly technique through that user can reach every books.

Information & Reference Service

Library is always engaged in various innovative & extra curricular activities like book fair, exhibition, orientation programs, competitions & workshops.

Library also provides OPAC Online Public Access Catalogue facility to user for searching the book which they want to use from the entire collections. It is

computerized catalogue facility which is very useful to save time of user as well as library employee.

Digital Learning Room & Library Portal

Library provides digital learning center to the students. Library has own web portal which one is unique facility provided by our college in NMU region. It provides no. of E-Resources to user

like E-Book, E- Journals, Old question paper, News papers, Job vacancies, GPAT exam schedule, Online books purchasing facility, Railway timetable, bus timetable & Weather Report.

Media Reports

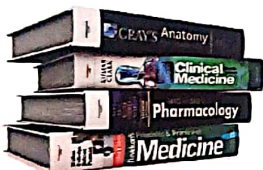

LIBRARY

E-Resources - More Than 900 No. of
E-Books & CD/DVD Are Available in Library
