6.2 Strategy Development and Deployment

6.2.2 Institution Implements E-Governance in Its Operations

Annual E-Governance Report Approved by The Governing Council/ Board of Management/ Syndicate Policy Document On E-Governance

Smt. Sharadchandrika Suresh Patil College of Pharmacy has designed an e- Governance Policy with the primary objective of implementing e-governance in various operations, transactions and services of the institution for better effectiveness, transparency and accountability. This policy shall apply to the Administration, Finance and Accounts, Student Admission and Support, Library and Examination sections of the Institute.

E-Governance is the use of information and communication technologies (ICT) in organizations to provide user services, to improve work efficiency and to promote democratic values. Electronic governance in the institution allows use of information and communication technologies with the aim to improve communication as it promotes transparency, accountability and increases cost and time effectiveness. The overwhelming response of human resources to digital technology has strengthened the prospects of e-governance in different areas of operations. E-governance is in place with the related modules of ERP in terms of planning by maintaining transparency in admission process by sharing information to the stakeholders through ERP and website.

Following are the organizational assignments conducted through online mode.

- Communication through e-mails to government and other agencies. All the staff of the college also communicates through e-mail id.
- Minutes of Meeting of Governing council, IQAC, Various committees etc. are made available

on the website for the consumption of stakeholders.

- College has purchased VRIDDHI software for account and finance, admission, student section, scholarship disbursement etc.
- To maintain the smooth functioning of the data of the books, the college has VRIDDHI software in Library. This helps to carry out day to day activities more efficiently and saves time.
- Development of ICT based infrastructure such as availability of Interactive Intelligent Panel in all classroom. More facilities are provided such as availability of personal computer with internet facility to each staff member.
- Computer awareness programs are conducted regularly for teachers and students.
- Dedicated WhatsApp Groups have been created in each academic department for sharing orders, information, direction and discussion on a common platform.

Following are the operational fields of educational administration discussed in the meeting for implementing the e-governance system.

Institute Website

Smt. Sharadchandrika Suresh Patil College of Pharmacy has its official website as <https://ssppharmacychopda.in>. The website acts as the mirror of all college and creates organization's image in the society. A separate web designer/service provider has been appointed who takes care of designing of website. A college website committee has been constituted. The members of committee submit the verified data to website committee in charge. Then in charge of website committee updates the data on website with prior permission from Principal. The institute website displays information related to organization, Vision and Mission, staff and their profile, approvals and affiliations to various regulatory bodies, admission and admission process, course offered, academic calendar and time table, student support and activities, training and placement, co-curricular and extra-curricular activities, infrastructure and facilities available.

Administration: Institute has initiated paperless communications in the college and online mode is adopted for the same. Staff and students communicate with each other through email and other digital platforms.

Following are the activities carried out using different software's as a part of e-Governance.

- The College has a Biometric attendance system compulsory for all the staff. The biometric system is connected to ESSL software that keeps the monthly record of attendance of all the staff.
- Salary is paid to the staff through net banking PF, TDS,
- Student satisfaction survey is conducted through online feedback system.
- Supervision of various scholarship schemes: Government of Maharashtra has started DBT Portal through which students apply for scholarship. Student's applications are checked through online portal by clerk and Principal log in after that these forms are forwarded to Social Welfare Department for approval.
- Wi-Fi campus.
- Fully computerized office and academic departments.
- All information about every student is available on VRIDDHI software.
- A committed WhatsApp group has been created for sharing orders information, direction, vital announcements and notices to the employees.

Finance and Account

As a basic ingredient of e-governance concept and as per instructions of the government, all kind of financial transactions has become cashless. The salaries of employees are paid through online mode only. Not only is that, the payment of scholarships and some purchasing transactions are executed necessarily cashless to maintain transparency and financial accountability in the system. Outlined below are some of the major assignments being performed digitally at college level.

- The salaries of employees are paid through online mode. All employees having their salary account in nationalized bank, HDFC.
- To maintain transparency and financial accountability in the system, the payment of scholarships and all purchasing transactions are executed cashless necessarily.
- Institute has purchased Tally software Tally prime. All the financial record are digitalized through
- Tally Prime such as student fees, development fund, expenses details, salary record, employee deductions and payroll.
- VRIDDHI software used to track Fees payment of every student. Some of the functions include collection of fees, generation of receipt, generation of financial reports.
- Processing fees to various affiliating bodies is also done through online mode NEFT/ RTGS.
- The Payment for PF and PT of all employees is also processed through online mode only.

Students' Admission and Support

The admission process for first year students is regulated by Directorate of Technical Education, Government of Maharashtra through their web portal <https://cetcell.mahacet.org/>. The institute has Facilitation center through which institute conducts the admission process. FC center helps all students for registration, confirmation those who are visiting to institute. Online ICT tools used for teaching, respective subject teacher provides the notes, study material to students through different online ICT tools such as Google classroom, blogger, YouTube etc.

Online admission and support activities include the followings as such

- College has purchased VRIDDHI software where students' data is entered and all the student's queries are handled at one place. Thus, we get all the information of a student in one place. This software also helps to get a bonafide certificate as well as the leaving certificates to the students.
- Disclosure of admission rules/schedule on college website.
- Verification of documents, payment of fees & other admission formalities,
- Preparation & publication of admission rolls and related statistics,
- Management of different scholarship schemes for students,
- Disclosure of students-centric information/data/materials on web-site,
- ICT based teaching in smart class-rooms. Interactive Intellectual Panel is available in each classroom.

Examination System:

There is a fully computerized exam cell which conducts exams, maintains curriculum and publishes results online. Institute and affiliated Kavayitri Bahinabai Chaudhari North Maharashtra University works in harmony and collaboration for successful implementation of digital platform. KBCNMU has started e-suvidha center <https://nmuj.digitaluniversity.ac> for all students. Admission process, filling of examination form, downloading of hall ticket, declaration of results, filling revaluation forms, photocopy form all such facilities are available to students through E-Suvidha center.

- KBCNMU has provided ADES software through which entry of marks of all students for internal examination, practical semester examination has been carried out. Student's hall tickets all examination record can be generated through ADES software.
- Exam department has secured mail id bharmexamchoda@gmail.com through which exam department communicate to KBCNMU and all staff members.
- Question papers from staff are received on exam department mail id bharmexamchoda@gmail.com.
- Exam time table are circulated through dedicated WhatsApp group.
- SMS are sent to students regarding examination rules and regulations.
- Result is declared on the KBCNMU website and mark sheets are available online.
- Students having any issue regarding to their results are communicated to KBCNMU through mail only.
- Hence, the online interface has become an integral part of the system. The e-governance
