## 2. Academic and Administrative Audit Report

### Quality Audit Report

Internal Quality Assurance Cell (IQAC) was established as per the guidelines of NAAC to achieve the vision, mission and objectives of the institution. This prime objective fulfilled by the curricular, co-curricular and extra-curricular activities of the students and progressive performance to achieve course as well as programme outcomes. IQAC have taken initiative for continuous efforts toward development and improvements of students with respective various aspects of academic/curriculum and other than academic enrichment and also develop personality, language & communication skill and employability of students to develop the not only knowledge but also practical skill by providing such opportunity. Apart from the curriculum and academic activities, collaborative MoU with institutes and industries, helps to students for training, visits at educational and industrial units for availing live practical skill and new and advanced techniques.

- IQAC has significantly contributed for the quality assurance strategies and processes.
- IQAC achieved quality audit through reviews the report of program committee and feedback collected from Stakeholders -
- Review of Program committee report related to teaching learning process
- Review of Feedback collected of Stakeholders includes Student, Teachers, Alumni feedback collected and Action Taken Report (ATR) reviewed.

### 3. Details on follow up actions (Quality Audit Reports, Review of Progressive Performance)

The institution reviews the curricular, co-curricular and extra-curricular activities and structures and methodologies of operations related committee and its outcomes at periodic intervals through IQAC.

#### Review of Progressive Performance

Sr. No.	Particulars	Description
<b>Curricular</b>		
	Method of Delivery	Teaching Learning Process and Reformatations
	Lecture	The conventional teaching method of chalk and board is shifted to LCD-based classroom teaching. This allowed more scope and time for interaction with students, rather than developing the concepts on the blackboard.
	ICT Tool	The teaching faculty is also using new ICT tools of teaching such as recorded lecture on YouTube channel, e-note on google classroom, bloggers, that makes the student more updated with the recent trends also enhances their interest towards learning.
	Experiments and Laboratory Work	Teachers gives demonstration to students during experiment. Animal experimentation through simulation of pharmacology that restricted the use of animals for undergraduate course also increases understanding of concepts of experimentation.
